August 17, 2017

Dear Springfield Township Business Owners and Residents:

Due to an unexpected change in the project schedule, the asphalt work for the Hempstead resurfacing project will begin tomorrow, Friday, August 18th. The John R. Jurgensen Company is the paving contractor for this project and they have requested to move the project ahead of schedule.

The contractor will begin by grinding off the existing road surface. Weather permitting, the first layer of new asphalt will be applied on Monday, August 21st and Tuesday, August 22nd. Both Hempstead Drive and Melody Lane will remain open during this phase of the project. Residents will continue to have access to their driveways.

After the first phase of resurfacing work is completed, final adjustments to manholes and repairs to the subgrade will be performed concurrently with the improvements planned on Daly Road. Prus Construction will be performing the improvements on Daly Road, and John R. Jurgensen Company will continue working on Hempstead Drive and Melody Lane.

To reduce construction costs, the final layer of asphalt will be applied to Hempstead Drive, Melody Lane, and Daly Road at the same time. This final phase of the project is scheduled for mid-October.

As a reminder, there will be traffic delays. A project inspector will be on site to minimize the delays and disruptions and to ensure the project runs as smoothly as possible.

I thank you for your patience with this project. Please contact me at (513) 522-4004 if you have any questions or special access needs.

Sincerely,

Michael H. Gould
Springfield Township Public Works Director
