ATTENTION SPRINGFIELD TOWNSHIP PERMIT HOLDERS:

All organizations reserving Springfield Township fields MUST carry liability insurance in the amount of one million dollars. "Springfield Township" and the park(s) in which the organizations' reserved field is located must be listed as additional insureds. Please attach your certificate of insurance coverage to this application.

Field Reservation Process

New athletic organizations, leagues and schools wishing to reserve Township fields must complete a New Team Athletic Field Request form and submit the completed form to the Township. (email to tmerkle@springfieldtwp.org).

Once the initial application is approved and it is determined that there is adequate field space to honor the request, field reservations must be made online and approved by the Township prior to play. We will accept field reservation requests from one athletic director per organization.

Springfield Township will grant field requests in a manner which accommodates the most requests, which promotes the efficient use of the fields, and, if possible, gives priority to organizations which have a history of playing on certain fields. Once the fields have been reserved and a schedule is established, Springfield Township will provide each organization with a copy of the schedule.

Payment is due monthly and will be billed after play has occurred. If payment has not been received by the established deadline, Springfield Township reserves the right to revoke the organization's remaining reservation of the field(s), to prohibit the organization from using the field(s), and to reassign the field(s) to another organization.

No refunds will be issued. The Township makes rainout decisions for baseball fields only. The baseball rainout hotline is 522-4004, Option 1. This line is updated at 4pm on weekdays and at 8am on weekends when weather is in question. If a field becomes unplayable after the team has arrived, please email the township and the field request will not be charged.

Soccer teams will make not be charged for rainouts when they notify the Township via email within 24 hours of the cancellation.

Springfield Township Field Rental Fee Schedule

Extended Use Field Reservations:

- New organizations must submit an application prior to scheduling a field
 - Insurance requirement: \$1,000,000 liability insurance policy, listing Springfield Township and the name of the park as additional insureds
 - Roster for each team required for applications requesting residency discount
 - Athletic fees include field dragging for baseball games (*weather dependent*) and turf improvements on soccer fields (*needs to be determined by Township*). Baseball dirt will be added on an as needed basis based on the budget and determined by Springfield Township.
 - Online scheduling must be conducted by coaches and should include "Practice" or "Game" in the event title.
 - Team fees are due monthly, after play. If the Township closes a field for rain, teams are not charged. Organizations must cancel 2 weeks in advance of the scheduled reservation date or they will be charged the full fee for that date.
 - A Rainout hotline will be provided and maintained for baseball games by Springfield Township. The number is (513) 522-4004 Option #1.
-
- Field reservations are limited to approved athletic teams for games, practices and camps unless otherwise approved.

Field permits are required for any organized team to play a game or practice on Township fields.

- Athletic organizations or organized teams MUST request dates online, enter into a contract agreement, submit the required insurance and be approved before playing on a Township field. Insurance documents must list Springfield Township and the park as additional insureds.

Teams should carry their approved contract while on Township fields and be able to show the approved reservation if requested by a Springfield Township police officer or staff person. (Approved reservations are confirmed via email and by the online schedule that is located on the official Township website) A [citation](#) with a fine may be issued if the proper reservation has not been obtained.

All baseball teams are required to line their fields. Springfield Township conducts all other maintenance of the field. Fields will be dragged in advance of games only. Rainouts will be noted on the calendar for each field.

Invoices must be paid within 10 days from the date they are issued. Invoices will be sent electronically monthly, following the approved practice or game. (We will bill after play has occurred.) Any unpaid invoices will result in the automatic cancellation of any upcoming field reservations.

Health Permit Requirements For Athletic Teams

Hamilton County Public Health Department
North of Compton Road Mandy Bartel 946-7842
South of Compton Road Inspector Robert McDaniel 946-7838
General Number 946-7847

Online Form at

http://www.hamiltoncountyhealth.org/en/permits_licensing_inspections/food_service/temporarily_licensing.html

Temporary Food Permits For Selling Cooked Items:

\$30.55 Obtained through Hamilton County Health Department

Temporary food service operation licenses are required for any person/group who wishes to prepare and sell food for 5 consecutive days or fewer in the same location. Examples of this include booths at community festivals or fairs, yard sales and school booster events. Apply at least 10 days prior to event.

Concession Stands: (1 year)

Risk Level - Levels 1 through 4. Risk level is determined by the operation of the facility.

Below are examples of procedures and their corresponding risk (note: TCS food refers to a food that requires either a certain temperature or limiting time of food at room temperature to control the growth of bacteria and/or toxins that cause disease):

Risk 1 - coffee, self-service fountain drinks, prepackaged non-TCS beverages; pre-packaged refrigerated or frozen TCS foods; pre-packaged non-TCS foods; baby food/formula. \$179.05.

Risk 2 - handling, heat-treating, or preparing non-TCS foods; holding for sale or serving TCS foods at the same proper temperature at which it was received; heating individually packaged, commercially processed foods for immediate service \$196.65

Risk 3 - handling, cutting, or grinding raw meat products; cutting or slicing ready-to-eat meats and cheeses; assembling or cooking TCS foods that are immediately served, held hot/cold, or cooled; operating a heat treatment dispensing freezer; reheating only in individual portions; heating of a product, from an intact, hermetically sealed package and holding it hot; doing reduced oxygen packaging \$339.85.

Risk 4 - Reheating bulk quantities of leftover TCS foods; catering to off-site events; using time in lieu of temperature; serving a highly susceptible population; serving raw or undercooked poultry, beef, pork, or seafood; acidifying white rice; smoking or curing meats \$420.15.
