December 8, 2016

Dear Springfield Township Resident:

It is my pleasure to share with you that Springfield Township has received the results from the most recent round of funding for the State Capital Improvement Program (SCIP). The SCIP application that the Township submitted to rehabilitate the roads within Ranchill Estates ranked number 2 out of 76 applications.

As a result, the Township will receive \$526,000 in grant funding to rebuild Ranchill Drive, Montoro Drive, and Pacora Drive. The remaining \$526,000 will come from the Road District Fund, the Township's General Fund and property assessments.

The Township will receive the grant funding from the State of Ohio in 2018. You can look forward to construction sometime between March and June of the same year.

On August 16<sup>th</sup>, 2016 a public meeting for the residents of Ranchill Estates was conducted and homeowners voted unanimously to move forward with a \$32.01 property assessment per year for the duration of 10 years. The property assessment will begin once the project is complete.

Updates on the project will be made available on [www.springfieldtwp.org/roadprojects](http://www.springfieldtwp.org/roadprojects). If you have further questions, you can contact the Springfield Township Service Department at (513) 522-1410.

Sincerely,

Michael H. Gould  
Springfield Township Service Director
