Dear Springfield Township Resident,

On January 26, 2017 at 6:30 p.m., the Township will be hosting a meeting for residents of the Millbrook subdivision to learn about an opportunity to improve the pavement and curb conditions within your neighborhood. This meeting will take place at the **Grove Banquet Hall located behind the Township Administration building, at 9150 Winton Road Cincinnati, Ohio 45231.**

As part of the Township's 5 Year Infrastructure Plan, your neighborhood was selected to undergo efforts to preserve the pavement. The Township has already set aside funds to aid this improvement project. However, in order for this project to move forward, a majority of residents within your neighborhood will need to agree to a voluntary property assessment. The voluntary assessment process has been used successfully in other areas of the Township to resurface streets, which enhance the overall neighborhood.

At the meeting, you will learn background information about the Township, specific details concerning the 5 Year Infrastructure Plan, and possible solutions to extend the life of your street. **It is imperative that all residents of the Millbrook subdivision attend so they can best understand this opportunity and the actions necessary to take advantage of it.**

Please contact Kathleen Kennedy, at 522-1410 or kkennedy@springfieldtwp.org to inform us whether or not you will be able to attend this meeting.

I look forward to your feedback and participation.

Sincerely,

Michael H. Gould
Springfield Township Service Director
